10 COLUMBUS CIRCLE
NEW YORK, N.Y. 10019

MR. ALFRED BLOOMINGDALE

Chairman of the Board

Cordially Invites

L. H. Nelson

...to accept the Diners Club
Preferred Credit Line and to avail himself
of all other benefits and privileges
of membership.

Diners Club membership today carries with it so much spending power that we must be selective in choosing our new members.

Fewer than 2 persons in a thousand can qualify. Each member's annual income must be well above the national average, and each must enjoy an excellent credit rating.

That's why we are pleased to tell you that you are one of the few men in your community who will be invited to join Diners Club this year.

As a member, you pay only one convenient bill per month for all of the previous month's purchases. Your line of credit is, in effect, substantially increased.

The other benefits of membership are many . . . first, you need never worry again about verifying tax-deductible business expenses. As you know, travel and entertainment deductions are frequently contested by the Internal Revenue Service. Your Diners Club receipts give you a clear record of every legitimate tax-deductible expense.

Second, your Diners Club Card extends your good local credit reputation into each of the 50 states and 134 foreign countries. Altogether, over 315,000 fine establishments stand ready to welcome you . . . to provide almost anything you need.

Simply present your Diners Club Card and say, "Charge it." Then write only one check next month for all of the previous month's charges.

At the same time, you will avoid many of those annoying little service fees the bank charges you for the checks you draw.

In fact, you might save enough on these items alone to pay for your entire modest annual membership fee.

As a member of the first and biggest worldwide credit card organization, you may never again need to risk carrying large sums of cash.

You can fly all major airlines anywhere in the world, at a moment's notice, and charge it to your Diners Club Card. Take up to 24 months to pay, if you wish.

Your Diners Club Card is honored at far more leading hotels, motels and resorts than any other credit card. You dine at quality restaurants and night clubs—and just present your Diners Club Card when the bill comes.

Want your personal check cashed where you are not known? It will be automatically honored at Thos. Cook & Sons Banking Offices and Diners Club Offices the world over for purchase of up to \$350.00 worth of travelers cheques.

You can rent a car for a day . . . or lease one for a year. Charge gas and repairs at 100,000 service stations—far more than with any other credit card.

Our newest division, DINERS/FUGAZY TRAVEL, has a worldwide network of offices, any one of which can handle all your travel and vacation needs: Transportation—Air—Sea—Train—Car Rental . . . Hotels . . . Sightseeing . . . Tours—Independent—Escorted—Special Interest—Foreign or Domestic. And you can charge it all on your Diners Club Card using, if desired, the extended payment plan.

In short, you can do more with your Diners Club Card than with

any other International credit card. You can do *far more* with Diners Club than you can with any of the thousands of purely local credit cards. As you know, *many of the local credit cards add interest and carrying charges to your monthly bills.* But Diners Club—the oldest and most honored credit card in the entire world—*never* charges you a penny extra on current accounts, no matter how much or how little your purchases may be. (The only exception is a moderate charge if you wish to pay airline fares over an extended period.)

So you can see, the Diners Club membership fee can actually be a sound investment for a person like you. Just the tax proof alone could repay the fee many times over.

Please take a few moments now to complete the enclosed application. Then, mail it today in the envelope provided. Please do it now, while it is on your mind. It is not likely that we will be able to repeat our invitation to you this year.

Cordially,

Chairman of the Board
Diners Club

P.S. Glance at the enclosed brochure to see all of the ways to use your new membership. Some of them may surprise you.

P.P.S. If you're already a Diners Club Cardholder, our apologies for sending you this invitation. Chances are, however, you have a friend who might be interested. We'd appreciate your passing along the enclosed application—and we're sure he would, too!
